

Club Unify at Mead Jr. High

Dear _____, YOU have been nominated by a teacher(s) to make Mead a place that promotes acceptance and inclusion for all students! Club Unify at Mead is in its 6th year of serving students. Mead's Club Unify will be based on what students feel the needs are of the school.

Mead is a certified, "Unified Champion School", meaning, Mead has taken the responsibility to promote unified events that give students with and without disabilities to work alongside each other. Examples of Club Unify events are:

- Attend a club/sporting event at Mead with a peer partner
- Promote Club Unify on Mead TV with public service announcements
- Engage in conversation with students during lunch periods
- Host an assembly where you speak with a peer partner about your experience being a Project Unify representative
- Be a leader at your school and within your community
- Becomes friends with your peers at school

If you would like more information about Club Unify, please see Mrs. Woods or Ms. Geraghty, the club sponsors. See the back side for future meeting dates.

Please take the time to consider your nomination for Club Unify.

I, _____, would like to be a part of Club Unify. Club meetings will typically meet on the last Tuesday of the month after school in the Creation Studio.
