

# Mead Garden Club

Mead Garden Club is a place to **learn about gardening** and **make some tasty recipes** from what we grow. Our gardens have produced tomatoes, cilantro, dill and basil, sweet and hot peppers, zucchini, asparagus, green beans, peas and potatoes. We have extended our garden to the surrounding trees and planted Hostas and Tulips to make our gardens inviting. We are in the process of harvesting our garden produce, and we pass our excess vegetables on to local food pantries. Please join our club if you have a green thumb or just an interest in learning how to have a green thumb.

Meeting Dates for the Fall:

**Tuesdays or Thursdays:**

August 26

September 7 and 23

October 5 and 19

November 4

Tentative Spring Dates:

March 31

April 12

May 3 and 17

In the Spring, I will make a summer schedule for students who wish to tend the garden beyond the school year.

There is no cost for Garden Club, but please make me aware of any food allergies, since we make and eat snacks. Sign below to give permission for your student to attend the Garden Club and eat with us. Please address any questions to Mrs. Hoppesch at [paulettehoppesch@sd54.org](mailto:paulettehoppesch@sd54.org)

-----  
PLEASE RETURN THIS FORM TO THE MAIN OFFICE

I give permission for my child \_\_\_\_\_ to attend the Garden Club after school on the dates listed above and the Summer dates TBA.
