

PRIDE CLUB

Pride Club is all about fostering a vibrant and inclusive community that celebrates diversity and promotes equality. Through discussions, activities, and projects, students will have a safe space to explore identity, self-expression, and advocacy for LGBTQ+ rights.

Ready to show your true colors? Pride Club is the place to be! Whether you're part of the LGBTQ+ community or an ally, come hang out with us as we support each other, share stories, and celebrate what makes us unique!

Open to all students throughout the year—everyone is welcome to participate in creating a supportive and affirming environment.
