ONE

#MEADMADE

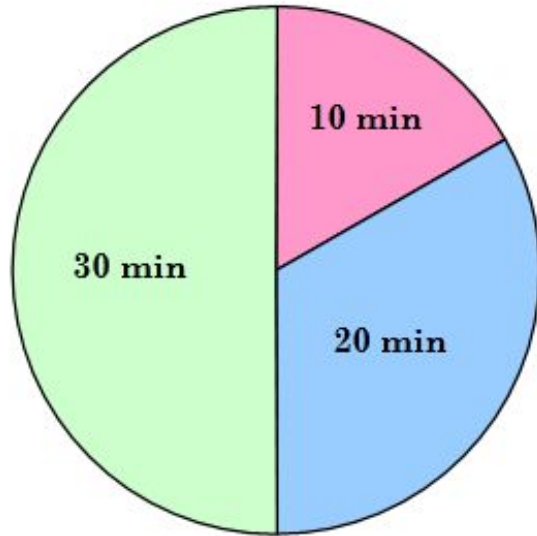

Support and challenge students in math by creating a safe environment where students can learn and grow. It's more than content as we focus on the whole child while teaching them to be responsible, ask questions and manage their time well.

Curriculum

- Fully aligned to the Illinois Learning Standards
- Shared notes, quality guided content
- Focus on problem solving, mathematical discourse and collaboration

Instruction

■ Numeracy Development

■ Shared Instruction

■ Guided Instruction and Workstations

Homework
